

Modifided Griso 2006

Inviato da gravity66 - 22/01/2014 22:50

Hello from England, some photos of my bike modifications.

ok . here we can see the photos . is the first time that someone changes the driving position of our wonderful bike !!! i would like to try your Griso ...but you are too far from italy... ☺

tell us something about you in "presentazione" and wellcome !

Hi gravity66, quite crazy your modification. could be the child of a California mother and Griso father 🍷

Cheers

Bruno
